## Students Express “ A Wonderful Place To Be” at PVI Special Olympics

**PVI Special Olympics is a Huge Hit.**

The Option Press

**S**in our Options class we have what is called “Special Olympics.” We always have lots of fun! Paul VI host a Special Olympics dance twice a year. We sing, we dance and we talk to

our friends. We also eat lots and lots of food! Another thing that we do is we have tons of activities going on. We color and we play soft-ball, catch balls, and we use bats. We have a great PVI Team!

## Options Field Trips

The Option Press

*Virginia*-Our Options class goes on awesome field trips! Our first trip was going to Fair Oaks mall. We bought gifts for our “Secret Santa’s”. After shopping we went out to lunch. We

learned how to tip the server. On our next field trip we went to the Shrine of the Immaculate Conception. That same day we went to the John Paul II Cultural Center. We played games and rang the bells. We also had a pillow fight! That was so much fun!!

Our Options field trips are the best

ever! We have been on other field trips, too. In December we went to the movies. This spring we will go to the Government Center in Fairfax and learn to use Access.

## Options Christmas Plays

*Paul VI*-This past Christmas all of the options students acted in a play. The play was called The Nativity. The students together acted out the birth of Jesus Christ. Over all it was a great success. The students were able to learn all about how Jesus was born through acting out the characters in the play.

## Options On the Go

*We go on lots of fun field trips.*

**O**ur Options class usually goes on educational and exciting field trips. We have fun when we are on field trips. We have gone to a shrine, a restaurant, the movies, the Air and Space Museum, the mall, and McDonalds. We also went to the library. On our field trips we learn a lot.
