I understand that: no passes will be sold to 9th or 10th graders. No passes will be sold after Friday, 9/4. I also understand Paul VI reserves the right to deny parking passes to any student or to confiscate a pass when deemed necessary. Students are advised to arrive at school early to get a space. Purchase of a pass does not guarantee a parking space. No passes will be held in reserve OR sold after 9/4/09.
