RETREAT PROGRAM 2010-2011

The first priority of any Catholic education program is to communicate God's message of love and to encourage every member of the community to share this message with our brothers and sisters. Catholic education exists to assist the young in maturing in courage and knowledge to enable them to proclaim the truth as taught by Jesus Christ through His Church.

RETREATS & DAYS OF REFLECTION

Christ acts on each individual whom He calls. To foster and encourage regular and frequent discernment of God's will for each individual, faculty and students retreats, as well as Days of Reflection are offered throughout the school year. These retreats are scheduled each school year to take place during the school day. *All students are required to attend these days of reflection.*

GRADUATION RETREAT REQUIREMENT

Various two-night retreats are offered to the students throughout the year to provide them an opportunity for deeper reflection on their Christian discipleship. **Every student is required to attend a two-night retreat during Junior or Senior year prior to graduation.** This requirement may also be met by participation in a parish, youth ministry, or local church retreat but **only if it is pre-approved by our Chaplain.**

PVI JUNIOR/SENIOR RETREATS

ECHO RETREATS

- ECHO, an acronym for **Encountering Christ in Others, is a retreat based on the Paschal Mystery, led by a team of Paul VI Staff, Alumni, Students and Parents.**
- ECHO's impact is in the simplicity and beauty of its goal: to see the face of Christ reflected, first in themselves, and then to see Him reflected in others.

GUIDED RETREATS

- Retreats are planned to meet the spiritual needs of students living in a secular world. Led by a Chaplain or Spiritual Director, they offer the students the opportunity to focus on their faith and their ongoing relationship with God now and in the future.
