## MUSIC BOOSTER VOLUNTEER FORM 2008 - 2009

Volunteers provide vital support to the music program at PVI and there are a variety of ways to help. It takes many people to staff concerts, provide and serve refreshments at receptions, chaperone events (both at the school and away), and to assist with fundraising activities. We need the support and help of **all** of our parents from each ensemble to make our program a success. Please return this form, with the top portion completed, even if you are not able to volunteer at this time. Very often we use email to contact parents on important information from both the boosters and the directors. It is vital to have working emails, phone numbers and current addresses.

### Concert Help

One area where all families come together and pitch in to help is the concert receptions. We compile an alphabetical list of all the music families and rotate through the jobs and food for each concert. The jobs are set up, helping to serve and clean up. Food contributions range from drinks, meat, vegetable and fruit trays, & desserts. It's worked well the past few years, so watch for an email from Kate O'Neil a few weeks before each concert. *Thanks*

Please indicate below any additional activities with which you are able help by checking the box (es). All help is appreciated!
